A. DRUMMOND, TREASURER.

MEDICAL DEPARTMENT,

QUEEN'S COLLEGE.

Having been requested to give some idea of the Medical Department of the University, for the information of the Trustees, the following very brief statement is submitted:—

Granted to the Department by the College in 1854			0 0			
Drawn from Bank in October, 1854 " in November, 1854 " " in March, 1855 " in May, 1855	150 30 68 61	0	0 0	£750	0	0
Leaving a balance, by this view, of			-	£309 £441	0	0

It should be borne in mind, in considering this statement, that a very large amount of the expenditure indicated by it, has been in the purchase of Books, Plates, Instruments, Furniture, &c., &c., being, in fact, a mere conversion of cash into property belonging to the Institution; so that, really, not a fourth of the £309 has virtually been expended.

Information regarding the number of Students, Course of Study enjoined, Fees, &c., &c., may be obtained by reference to the "Annual Announcement;" a copy of which

has been sent to each Trustee.

JOHN STEWART, Sec. to Medical Faculty.
